

International Acceptance Guide

1. Send in signed acceptance forms (Section A, C and the last page)

Read the Acceptance Forms (included in your unconditional offer letter) and complete and sign the declaration form. Please return both pages of the Acceptance Form together with evidence of your insurance cover (if you haven't confirmed that you agree to purchase our Navinsure policy) to admissions.uk@navitas.com.

2. Pay your tuition fee deposit

3. You will receive a Provisional CAS that outlines all required documents that you need to submit prior to your CAS being processed

4. On receipt of all required CAS documents it will take up to 5 working days for your CAS to be processed

5. On receipt of your CAS please check that the information is correct and proceed to make your visa application. We advise that you should apply for your visa no longer than 5 working days after release of your CAS (and even quicker more close to the intake start date)

6. Confirm to us the date that you submit your visa application and the service you have applied for. Please send this confirmation to cric@anglia.ac.uk

7. Send us evidence of your visa outcome, including a copy of the entry vignette. Following confirmation of your visa outcome it will take 24 hours to set up your enrolment record

8. You will receive an invite to enrolment once your record is fully complete. This email will also include your ARU ID and Computer Username. If you don't receive this email you will not be able to attend registration

If you haven't received your enrolment email but believe that you have completed step 1 and 2 please call 01223 695596 or email cric@anglia.ac.uk
